# Mod: BSH-15A

Production code: 40151502

**Diamond**  
catering equipment

SaUsage Stuffers, model IS 15 Idra:

Simple and functional, the new IDRA hydraulic vertical sausage fillers feature a powerful hydraulic system that operates at a pressure of 120 bars. Manufactured entirely from stainless steel, the machine can be completely disassembled for easy cleaning without requiring tools.

It features characteristics typical of higher category models:

- fully stainless steel cover and piston;
- silicone gaskets that act inside the cylinder for better seal and longer life of the gasket; - hermetic protection of the hydraulic cylinder;
- stainless steel piston rod;
- polished and rounded stainless steel cylinder, without obligatory direction;
- powerful and silent ventilated motor operating at 2,800 rpm with immediate action;
- automatic piston return when motor stops;
- 24V controls,
- high-precision oil flow controller;
- optional rubber wheels for mod. IDRA15 and standard for mod. IDRA 25-35-50;
- oil tank with level gauge.

Funnels in s/s ø 13-16-20-38 optional

Optional s/s bush, optional

Data sheet
